

L20P - L30P Range

Oil lubricated direct driven compressor

Professional and compact performance with extra user-friendly benefits.

This range of compressors has robust and strong direct driven pumps for more intensive use, and they have extra benefits to improve the user comfort. Typical applications include inflating, blowing, nailing and washing.

Applications

Reliability

Quick and easy draining

User-friendline

Inclined gauges

Performance:

Large and cooled air flows

Flexibility

Strong big wheels and bumper

POLE POSITION L30P
3 hp, 24 litre

Part number	L	l/min	CFM	HP	kW	rpm	Volt	Bar	dB(A)	L x W xH (mm)	Kg
2026-0004	24	310	10.9	3	2.2	2850	230/1/50	10	97	570 x 255 x 590	33
2026-0006	50	310	10.9	3	2.2	2850	230/1/50	10	97	770 x 310 x 645	36.5

L20 Range Oil lubricated direct driven compressors

Performing small tasks has never been this simple and easy using the L20 range of compressors.

Great technology and simple operation suitable for a large range of applications, from nailing over stapling, to blowing and inflating.

Applications

Reliability

Smart design guaranteeing good cooling flow over pump

User-friendliness

Simple push on/off button and easy pressure setting

Stability

Large capacity vessel

Flexibility

Strong wheels to move around easily

MONTECARLO L20
2 hp, 50 litre

Part number	L	l/min	CFM	HP	kW	rpm	Volt	Bar	dB(A)	L x W xH (mm)	Kg
