

# Lightweight, Economic E-Pump

- Lightweight and compact mechanism design
- Compares to Enerpac PUJ-1201B / PUJ-1401B
- 115V AC 50/60 HZ universal motor, starts under full load
- 10', 24V AC pendant control for safety
- For use with generators or extension cords
- Designed for intermittent duty cycle

<b>PU20M4N01B</b>	
<b>Usable Oil</b>	1 gallon
<b>Reservoir Material</b>	Steel
<b>Flow Rate @ Low Pressure</b>	133 Cu. In. @ 200 psi (measured)
<b>Flow Rate @ High Pressure</b>	28 Cu. In. @ 10,000 psi (measured)
<b>1st / 2nd Stage Pressure Setting</b>	1,200 psi / 10,000 psi
<b>Control Valve</b>	4 way / 3 pos.
<b>Motor Type</b>	Universal
<b>Horse Power</b>	0.94 HP (0.7kW)
	1.0 HP
<b>Current Draw</b>	10.0 A (@ 10,0000 psi)
<b>Motor Voltage</b>	115V AC, 50/60 Hz
<b>Sound Level</b>	80-85 dBA
<b>Net Weight</b>	37 Lbs (w/ metal reservoir) 1 gallon usable oil
